

# **I bring my praise to you**

**Jimmy John Morris**

**I will lift my hands  
I will lift my hands in adoration  
'cause you love me**

**I will lift my voice  
A song of freedom a song of declaration  
That you saved me**

**I have come to give you glory  
To bring you praise your name is due  
I have come because you're worthy of all I can give  
So, Lord, I bring my praise to you**
